M.SC. PETROLEUM TECHNOLOGY ONLINE ENTRANCE EXAMINATION 2024

Department of Geology and Petroleum Technology

ABOUT THE COURSE

Since 1970's the oil industry has seen a phenomenal rise in the demand for Petroleum Products. The Department of Geology at Nowrosjee Wadia College, envisaged the need for specialized geology based knowledge in this field and launched an interdisciplinary course in Petroleum Technology, in the year 1987.

The initial success of the course, coupled with interaction with different companies

in the Petroleum Industry encouraged us to expand the course in 1989 to a two year Postgraduate Degree in Petroleum Technology.

The overwhelming response to the course accompanied with the successful placement of our students in oil companies and petroleum service companies around the world has made this course invaluable.

HIGHLIGHTS

Comprehensive Curriculum
Field and Industrial Visits
Internships
Industry-Academia Interactions
Illustrious ALUMNI
Annual Exhibitions and Fests
Expert Talks

ELIGIBILITY

Eligibility: B.Sc. in Geology / Chemistry / Physics / Petroleum Chemistry / Petrochemicals / Mathematics
Or
B.Sc. General Degree or with Geology as one of the Subsidiary Subjects.

Inviting Applications for Entrance Examination for admission in M.Sc. Petroleum Technology (First Year).

Date of Exam	09/06/2024
Duration	90 Minutes (Students shall attempt the test between 11am to 05pm)
Pattern	Objective Type comprising Multiple Choice Questions
Total Marks and Questions	100 (Section I : 40 Marks & Section II : 60 Marks)
Section I (Compulsory)	General Aptitude
Section II (Optional)	1. Geology – 60 marks (for the students of Geology) or 2. Basics of Chemistry, Physics, Mathematics and Electronics: 60 marks (for the students of Chemistry / Physics / Electronics / Mathematics/ Petroleum Chemistry/ Petrochemicals)
Application Link	https://forms.epravesh.com/WadiaCollege/
Last Date of Registration	07/06/2024
Processing Fee	Reserved Category 300 ₹ Open Category 350 ₹
