(As per NEP)

M. Sc.(COMPUTER SCIENCE) - ENTRANCE EXAMINATION NOTICE

About the course

M.Sc.(Computer Science) is a non-aided course of Nowrosjee Wadia College affiliated to Savitribai Phule Pune University. It is a 2-year full time, 4-Semester post-graduate course, formerly known as M.C.S. (Master of Computer Science).

Nowrosjee Wadia College is accredited with A+ grade by NAAC and is also recipient of the coveted 'Best College Award' by SPPU. Nowrosjee Wadia College was the first College, under SPPU, to start this post-graduate course. Alumni of the Department are highly placed in the IT industry in India and abroad. The Department has state of the art facilities, and excellent academic and placement track record of students.

From the academic year 2023–2024, the syllabus for M.Sc.(Computer Science) pattern and syllabus is designed as per NEP. It is designed taking into consideration the current IT industry trends, at the same time consolidating core concepts and incorporating advanced concepts in Computer Science.

Eligibility

- a) Bachelor of Computer Science (BCS) with 50% (Computer Science) marks College and 45% marks for Reserved Category. **OR**
- b) B.Sc. (Computer Science) with 50% marks. **OR**
- c) B.E. (Computer Science/ Information Technology/Electronic Telecommunication) with 50% marks. **OR**
- d) B.Sc. (IT) or B.Sc. in Entire Computer Science with 50% Marks **OR**
- e) B.Voc.(Software Development/ Information Technology) with 50% Marks
- f) B.Sc. degree with Computer Science as Principal subject or Computer Science as one of the subjects at T.Y.B.Sc. level for students with general B.Sc. with 50% marks.

Highlights

- a) Dedicated and Qualified Faculty members
- b) Legacy of Excellence in Computer Science Education
- c) Strong Industry Academia connection with successful Alumni
- d) Active Training and Placement cell for seamless Academia - Industry transition
- e) Advancing the frontiers of innovation: Our faculty members with students have published 20+ research papers in reputed international journals this year, specializing in Generative AI, LLMs, and Deep Learning models.
- f) Students bridge the gap to professional success through hackathons, expert-led workshops, hands-on courses, On-Job Training and Full Time Industrial Training.

Admission Procedure

1. Students desirous to take admission to the M.Sc. (Computer Science) course must appear for an online, proctored, entrance examination. However, appearing for the entrance examination does not guarantee admission.
2. The admission for this course will be strictly on the basis of the merit of marks obtained in the Entrance examination and as per reservation norms of the Government of Maharashtra and Savitribai Phule Pune University.
3. Admission of students who secure the same marks in the Entrance examination will be decided on the basis of their CGPA in the qualifying examination.
4. The entrance exam result along with detailed Admission process will be notified **tentatively by Wednesday, 10th June 2026** on the college website

<https://nowrosjeewadia.mespune.org/>
