(An Autonomous college affiliated to Savitribai Phule Pune University)

**Third Year B.A. Degree Program in Arts**

(Faculty of Humanities)

**Department of French**

T.Y.B.A. (French)

(Syllabus under NEP 2)

## Third Year

### NEP 2

### Structure

Course Semester	Major	Minor	Total Credits
5		2T	22+22=44
		√	02 [2T]
			02 Lectures

### Introduction:

French is taught at general level. The level of the curriculum is equivalent to CERL A2.1 level. The students have basic knowledge of French. The aim of this course thus is to improve French language and introduce some key aspects of the French society through texts. It also looks forward to spreading awareness regarding the career opportunities among them,

In accordance with the Gr dated 13 March 2024, the new structure was adopted by the parent university i.e. Savitribai Phule Pune University. Hence the appropriate changes are made in our existing structure in order to align with that of the university. This structure offers the opportunity to add the practical component which is very much needed for this particular language course. The practical component would help develop oral skills of students. It also provides an opportunity to offer French to science students which is very advantageous as far as their career is concerned. The skill enhancement courses are aimed at developing communication and professional skills in French.

### Eligibility:

- As per Savitribai Phule Pune University eligibility rules and regulations.
- For Minor paper: any student from Arts / Humanities faculty who has French at a minor level or completed A1 course.

## Semester 5
