PROFESSIONAL SNAPSHOT

I am an Assistant Professor of Mathematics in the Department of Computer Science at Nowrosjee Wadia College, Pune. I hold a postgraduate degree in Mathematics from Shivaji University, Kolhapur, and have qualified SET, NET, and GATE in Mathematics. With four years of teaching experience, I focus on Mathematics courses including Discrete Mathematics, Fundamentals of Mathematics, and Operations Research. My key contributions include curriculum and academic planning, examination coordination, student mentoring, departmental activities, and serving as a member of the College NAD Committee during the previous academic year. I am committed to creating an engaging learning environment that strengthens students' conceptual understanding, analytical thinking, and problem-solving skills.
