PROFESSIONAL SNAPSHOT

I am an Assistant Professor in the Department of Computer Science at MES's Nowrosjee Wadia College, Pune, with over a decade of experience in teaching, academic administration, and IT management. My areas of expertise include programming, databases, networking, software testing, web technologies, Linux systems, and emerging technologies. Along with teaching, I work as the ERP Super Administrator, college website administrator and content manager, and IT in-charge for laboratory and infrastructure activities. I actively contribute to digital transformation, ERP implementation, laboratory management, network administration, and technology-enabled academic processes.
